

MATCH SPOTLIGHT

Big Brother Paul and Little Brother Brayden

Paul and Brayden have been matched since September 2016 and they are super active. We are told they are always up to doing new things.

Some activities they enjoy are playing board games, going to different events on the Notre Dame Campus, and making food together. They've looked at art at the Snite Museum and made some art decorating ornaments.

And the meals they've made together, like homemade soup and pasta with meatballs, MMM sounds so good. Keep letting us know what's new, you guys!

Being a mentor to a child is not only enriching for the child, but also for the mentor. At Big Brothers Big Sisters we need people like you to lend a hand. Become a mentor today at becomeabig.net.

Jersey Mike's is having a **Month of Giving** all month of March. The campaign will culminate in the nationwide event, "**Day of Giving**," on **Wednesday, March 29**, when Jersey Mike's will donate **100%** of the day's sales! Our local Jersey Mike's at **5718 N.
